How To Use Your Monthly & Yearly "Initiation Cycle" Cards

By Jim Bardon

Member: American Federation of Astrologers, Astrological Association of Great Britain, National Council for Geocosmic Research

These FREE "Initiation Cycle" Cards are offered to chelas by a Keeper of the Flame with 28 years' astrological background.

Each month (for a 30 day period) we are each tested on a different line on the Cosmic Clock. Similarly, each year (for a whole year) we are tested on another line. These cycles overlap.

WHAT TO DO: Use a paper cutter or scissors to cut-out the cards. Find the correct card for this "month." Then find the card with your age (in years) at the bottom. You want to end up with 2 cards (unless your month and year initiation happen to be the same). Give the decrees on these 2 cards once every day. Some chelas put little scotch tape "loops" on the back of the cards and stick them up on their bathroom mirrors. Others make photocopies and keep one set at work and one at home. Be creative!

TIME: It just takes 1 minute a day to give the decrees on both of your 2 "Initiation Cycle" cards.

WHAT TO EXPECT: During each "cycle," my own observation has been that you will experience 2 things: (#1) an increased temptation to indulge in the negative attitudes of the particular line on the Cosmic Clock; and (#2) other people will come into your life who will embody those same negative energies and direct them straight at you! (For Example: During your "3 O'Clock" initiation you can probably expect: (a) to feel tempted to act arrogantly toward others; and (b) to personally receive arrogant treatment.)

HOW TO PASS YOUR INITIATIONS: (a) Give the decrees on your 2 "Initiation Cycle" cards every day; (b) Be aware which "tests" are scheduled for you this month and year; (c) Don't "give-in" to the temptation to indulge in those energies; (d) Don't "resonate" (imitate) these negative energies when you find them in others; and (e) Don't act resentful when you receive these negative energies from others. (Suggestion . . . Remember that you are probably receiving the same energies you sent forth in a previous lifetime!)
